

CALL FOR APPLICATIONS

The 1989 Generation Initiative is expanding.

We are a pan-European 'policy tank' designed to reform the European Union using the ideas and visions of its young citizens, the 89ers. We have a think tank core and movement exterior. We create ambitious policy proposals that we feed directly into the EU decision making process. We have our offices at the LSE and in Brussels, and have expanded into 7 other EU countries.

Eventually we aim to open at least one chapter in every EU member state. Then, the real work building our new EU can begin. We are looking for bright, talented, and passionate individuals to lead our regional expansion.

We are aiming to set up a chapter in your country to extend our work to young people in your region.

If you believe you have what it takes to head up the regional chapter, we want to hear from you.

Send us your CV and cover letter before **31 October** via michael@1989generationinitiative.org explaining why you believe you are the best candidate.

Best of luck,

Michael Cottakis

President of the 1989 Generation Initiative.
